Re: Mine Name Change Request, Miracle Rock Mining and Research, LLC, The Rockland Mine, S/015/040, Emery County, Utah

Dear Mr. Taylor:

On July 2, 2002, the Division received your letter requesting that we change the name of your mine from the Body Tody Mine to The Rockland Mine. You included information indicating the name "The Rockland Mine" is trademarked both federally and with the State of Utah by Miracle Rock Mining and Research.

The R647 regulations do not include any provisions regarding the use of trademarked names. The Division does not normally check whether a name is trademarked or otherwise reserved before using the name an operator requests when filing a permit application. We have consulted with our legal counsel regarding your request, and we are changing the name of the mine operated by Miracle Rock Mining and Research, LLC, under permit S/015/040 to "The Rockland Mine." This name change should not be construed to imply that we recognize the trademark information submitted as being valid, but neither do we contest the information.

Please call me at 801-538-5261 if you have any questions about this letter.

Sincerely,

Paul B. Baker  
Senior Reclamation Biologist
